## From the desk of the Chairman

The Dyal Singh Public School, Panipat is one of the four Schools run by the Dyal Singh College Trust Society, Karnal. This Society was set up at the turn of the twentieth century by Sardar Dyal Singh Majithia with an objective of providing liberal education. The Society first set up a college and a school in Lahore. After partition, a college was set up at Karnal in 1949 and over the last 25 years four Schools have been set up of which the School at Panipat is the fourth.

The school at Panipat started in the year 2010-2011 with the student strength of about 411 and today stands at about 2100. The school is affiliated to a CBSE curriculum upto 10+2 with all streams : Medical , Non-Medical , Commerce and Humanities. Our attempt at this school is to provide a holistic education of a high standard at an affordable fee. We lay emphasis on academic excellence, confidence building, discipline, communication skills, co-curricular activities and sports so that the students can achieve success in their chosen careers. There is a strong emphasis on inculcating the right values and our students emerge not only as successful individuals but also responsible members of the society.

Our assessment policy in all the classes is in line with the CBSE norms. We encourage innovativeness and original thought. All the labs are well equipped with modern apparatus that create a conducive environment to provide a student opportunities to experiment new concepts and explore hidden talents.

The School has achieved outstanding results in academics with passing out students clearing various competitive examinations and getting admitted in good colleges for further education. The school in a short period of time has made a mark in various Inter-School and District level competitions like Inter School debates, Essay Writing Competitions, Music Competitions and brought laurels to the School.

I must add that our staff is selected after a rigorous selection procedure. They are well paid and regularly given opportunities for further growth by way of participation in training programmes and academic workshops. We have been able to build an outstanding faculty and achieved the required stability in our staff. The teachers are appraised regularly and outstanding performances are rewarded. We have a PTA and hold PTMs and PGMs regularly so that there is a constant communication with the Parent Community. The Principal also meets parents and students informally to get feedback to constantly improve our processes. We are certainly a school with a difference and I believe that we must continue to improve by critical introspection in order to provide the best education to our students.

## From the desk of the Principal

Dear Student,

I welcome you to your school. The aims and objectives of the school are simply explained to help you achieve the desired standard of excellence, we know you are capable of reaching. The school aims to produce modern secular Indian citizens with a scientific temper, ready to face any global challenge having gathered the wisdom of the East and the West. Your success in becoming a good student and a responsible citizen depends upon many factors, some of which are given below :

- Your own family and the values it teaches.
- Your friends in the school and in your neighbourhood who greatly influence your goals, behaviour and degree of academic success and excellence.
- Finally your own desire and determination to succeed.

Your school has all the resources available to impart the best School Education possible as per CBSE standards. Though the school has the best facilities available in any good Public School and a very competent teaching staff to achieve and maintain high academic standards yet they alone cannot guarantee you success. Practically, the school's objectives have to be realized by you with hard labour which is the only way to achieve the desired success in life. Accept 'Always Our Best' as your motto and you will go far in school and in your chosen career. We hope you will have a very successful and happy year at school.

With best wishes

**Dr. VINITA KUMAR TOMAR**

# THE SCHOOL

Dyal Singh Public School, Panipat is one of the best-equipped schools with facilities that support excellence in all areas. The infrastructure has been suitably planned to facilitate learning and all round development of the child. The school stands on an extensive 5.10 acre campus in the picturesque area in Panipat.

A Public School is usually described as the abode of good education and a haven where modern, westernised, cultured individuals are moulded. We endeavour to inculcate in our pupils a deep feeling for the association with our Indian Heritage and to revive and sustain in them the manifestation of the Indian Culture. The total school environment upholds the cherished values of our great Founder and Trustees, "We are Indians first and Indians Last."

## Aims and Objectives

The school aims at full development of the children's capabilities of head and heart in order to ensure an integral development of their personality by laying equal emphasis on the intellectual, emotional and physical development. Self-confidence, good habits and the right type of values, which form the cornerstone of a successful happy life, are inculcated at school. The school lays stress on imparting education with a firm moral base so that the children may grow as man of character with a sense of duty, dedication and service to the society. To quote Swami Vivekananda, "We want that education by which character is formed, strength of mind is increased, intellect is expanded and by which one can stand on one's own feet."

The curriculum and calendar of activities in the school are drawn up keeping in view the above objectives. For the achievement of these objectives, home and external environments play equally important roles. Learning continues at all times and at all places, so, it is expected that parents should play a positive role and lend their full co-operation to the school in inculcating the right type of values.

## Vision

**Our vision is to provide a happy, caring and stimulating environment where children will recognize and achieve their fullest potential, so that they can make their best contribution to society.**

## Mission

**Dyal Singh Public Schools aim to provide a joyful learning environment and promote literary, intellectual and pro-social talents so that they have a satisfying and successful future.**

# Embracing Wholeness: The Art of Holistic Learning in Dyal Singh Public School, Panipat

Dyal Singh Public School offers a comprehensive educational environment that goes beyond conventional classroom settings. Students have access to a wealth of opportunities to acquire knowledge, discover hidden talents, pursue their dreams, and develop into versatile individuals. The institution nurtures a diverse range of skills, qualities and principles promoting the all-encompassing development of its student body.

Qualities	Values/ Principles	Skills/ Abilities
Innovative	Compassion	Integration
Worldview	Commitment	Reasoning
Guidance	Admiration	Exposition

Every endeavor whether within the confines of the classroom or outside it holds significance in the educational voyage contributing distinct and valuable elements. Students are wholeheartedly urged to participate in all aspects of school life is receiving steadfast support and mentorship from experienced faculty members at every step.

## Classroom Insights

Each student benefits from individualized attention in small class settings, ensuring they receive the necessary support.

- The diverse curriculum allows the students the flexibility to choose their areas of focus.
- The educational program places equal importance on mastering both Indian and foreign languages.
- Exposure to global issues is integrated to broaden students' perspectives.
- Students are encouraged to engage in innovative problem-solving, questioning and active participation to nurture their curiosity & confidence.
- Interactive teaching methods ensure a dynamic and enjoyable learning experience.
- Practical, project-based learning supplements traditional teaching methods.
- Teachers cultivate a supportive environment that empowers students to think critically and express themselves freely.

## Beyond the Classroom Walls

- Incorporating yoga, meditation, and prayer into the curriculum can foster a tranquil mindset among the students.
- A mandatory co-curricular program encourages students to broaden their horizons and develop new skills.
- Cultural celebrations and historical observances, both local and global, promote solidarity among the students.
- Inter-house and school-wide events promote unity, healthy competition, and talent display.
- Esteemed guests frequently engage in enriching dialogues with students.
- Clubs nurture connections among peers sharing common interests.
- Regular excursions and off-campus activities offer students opportunities for experiential learning and exploration beyond the confines of the classroom.

# Academic Curriculum

**“Within the walls of the best schools, dreams take flight, knowledge finds its voice, and excellence becomes a daily habit.”**

The DSPS curriculum represents the school's commitment to optimize teaching and learning, hence facilitating children's holistic development and well-being by implementing a world-class curriculum. It is a unique amalgamation of a solid academic foundation and a rich co-scholastic programme which is steered towards the accomplishment of our school's guiding statements. Our curriculum caters to the needs of students with different learning styles and varied levels.

## KINDERGARTEN

The Kindergarten curriculum is an all-encompassing, exploratory, child-centered curriculum that focuses on helping kids improve their language abilities, creative expression, physical skills, well-being, and social and personal growth. It is made to ensure a smooth and easy transfer to the formal education's more structured and skill-driven learning requirements. Through conversations, games, and activities, we make certain that kids engage in a language-rich setting and become proficient in using their growing understanding to create fresh ties. We emphasize our children to read books, watch English movies and belt out English tunes. Phonic Sessions strengthen their letter-sound association and sound blending to produce words. We aim at developing love for reading stories through animated videos and read-aloud story books.

## PRIMARY

The elementary students in Grade I to Grade V are immersed in a dynamic learning environment that supports and nurtures the growth of both creative and logical ideas. Among the disciplines taught are English, Hindi, Mathematics, Environmental Science, Computer, General Knowledge and Life Skills. These widen their perspectives and help them deal with issues that arise in day-to-day living. Children in grades VI to VIII are taught Sanskrit/Punjabi/ French as a third language.

## SENIOR SECONDARY

Our dedication lies in delivering an extensive and challenging curriculum that prepares students for further education and future success. English, Hindi, Mathematics, Science, Social Science and other subjects are all well-covered in Grade VI to Grade X in our carefully designed curriculum. The available four streams are Non-medical, Medical, Commerce, and Humanities in class XI and XII.

To support holistic development and encourage students' strengths and interests, we provide a wide choice of vocational subjects. We also provide career counseling sessions to help students make their professional decisions. This fascinating educational journey with us will provide the students, the knowledge, values, and abilities they need to successfully navigate a rapidly changing world.

# Dive into Diversity: Highlights of Co-Curricular Activities.

Beyond the conventional classroom, a child acquires many critical skills and qualities crucial for holistic development. To that end, Dyal Singh Public School (DSPS) incorporates a compulsory co-curricular program that enriches the educational journey of every student. The program encompasses five modules, each with a diverse range of activities tailored to different age groups. At DSPS, students participate in an assortment of activities within each module, guided by their passions and interests.

## Foster Your Potential: Thrive Through Sports and Games

This module not only allows students to enhance their athletic abilities but also promotes teamwork and healthy competition. Each child's development is closely monitored by experienced trainers and coaches to ensure that they learn and excel in a diverse selection of sports and games. The module includes both outdoor pursuits such as Athletics, Cricket, Football, Volleyball, Basketball, and Kho-Kho, as well as indoor pursuits like Badminton, Chess, and Table Tennis. Additionally, physical fitness is emphasized through Aerobics, Martial Arts, and Yoga.

## Exploring Creative Passions: The Potential of Visual & Performing Arts

This program provides students with a unique avenue to cultivate their creative abilities while also broadening their understanding. Participating in the Performing Arts not only promotes academic discipline but also allows individuals to express themselves genuinely and freely. The program encompasses a variety of activities, including:

### MUSIC

Drums, Guitar, Keyboard, Piano, Dholak, Violin, Harmonium, Congo, Harmonica, flute & Vocal

### DANCE

Indian dance forms - Folk dances, Semi - classical, Classical Kathak, Odissi, Western dance forms - Open Style Choreography, Zumba, Aerobics & Bollywood

### VISUAL & PERFORMING ARTS

Showcasing student-created artwork, including paintings, sculptures, drawings, and mixed media pieces.

## Nurturing Personal Growth

To achieve success in today's competitive environment, it is vital to recognize the significance of interpersonal and communication abilities. It is crucial to nurture these skills from an early age, as they become more challenging to develop later in life. This module aims to equip the students with the capabilities to navigate complex, social and professional scenarios with confidence. The activities within the program include debate, elocution, etiquette building, presentation skills, public speaking, and reading.

## Empowering Through Service

This module seeks to instill a sense of responsibility and benevolence in students, in addition to knowledge acquisition. The module emphasizes activities geared towards promoting the welfare of others and contributing to the betterment of the community. Examples of such altruistic acts include volunteering at orphanages, participating in environmental conservation efforts, assisting in the library, managing the news board, and contributing to the school magazine.

## Infrastructure

**"Innovative spaces, endless possibilities."**

Our school prides itself on its modern and well-equipped infrastructure, designed to enhance the learning experience and cater to the diverse needs of our students. With spacious classrooms equipped with cutting-edge technology, science laboratories, advanced computer labs, and a comprehensive library. Students have access to the resources necessary to excel academically. Additionally, our sports complex offers extensive facilities for various sports and athletics, while our auditorium provides platform for cultural events and performances. Coupled with amenities such as infirmary, transportation services, and green spaces, our infrastructure fosters a conducive environment for holistic development and growth.

## International Award for Young People

The International Award for Young People (IAYP), also known as the Duke of Edinburgh's Award in some countries, was started in 1956 by Prince Philip, Duke of Edinburgh, in collaboration with Kurt Hahn, a German educator. It was originally introduced in the United Kingdom and later expanded globally. The program was designed to encourage young people between the ages of 14 and 24 to engage in self-improvement and community. IAYP enhances a job profile by showcasing qualities like leadership, perseverance and time management making candidates stand out to potential employers.

Dyal Singh Public School initiated IAYP Program in 2018 under the guidance of the worthy Chairman Vice Admiral Satish Soni. This program has been running successfully till now. Its a global youth development program that encourages young people to engage in a range of activities to help them grow in different areas -

- Physical Fitness
- Skill Development
- Community Service
- Adventure

## ***Gold Award Holder from DSPS Panipat, Haryana***

I STILL REMEMBER THE DAY WHEN I DECIDED TO JOIN THE AWARD PROGRAM. AT THAT TIME, I DIDN'T KNOW THAT IT WOULD CHANGE MY LIFE. WHEN I HEARD ABOUT THE AWARD, I DIDN'T EXPECT MUCH. BUT NOW, I WANT TO CAPTURE THE SAME EXCITEMENT THAT THE INTERNATIONAL AWARD FOR YOUNG PEOPLE BROUGHT INTO MY LIFE. WHEN I TOLD MY FATHER ABOUT THIS IAYP PROGRAMME, I WAS SURPRISED TO SEE THAT MY FATHER ENCOURAGED ME AND APPRECIATED MY DECISION. THE MAIN REASON BEHIND HIS ENTHUSIASTIC APPROVAL WAS TO HELP ME GROW AS A PERSON AND BECOME A RESPONSIBLE CITIZEN.

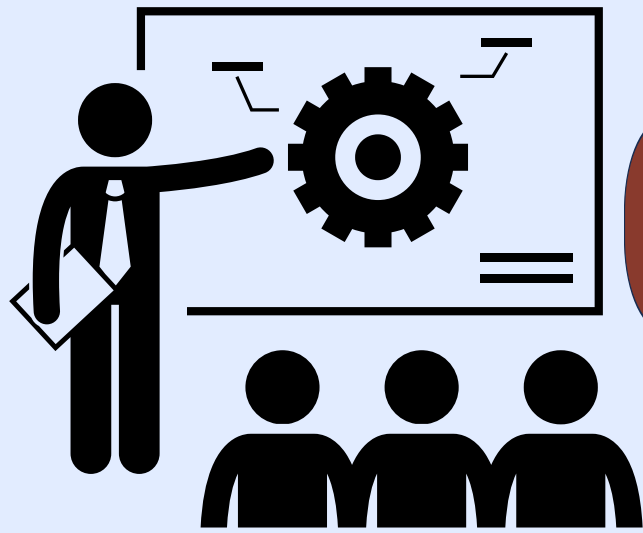

MY JOURNEY TOWARDS EARNING THE BRONZE AWARD STARTED WELL BEFORE I WROTE ABOUT MY EXPERIENCES. I TOOK PART IN VARIOUS ACTIVITIES FOR EACH SECTION OF THE AWARD LIKE LIFE SKILLS, SOCIAL SERVICE, ADVENTUROUS TOURS, AND SPORTS. IT WASN'T EASY, AND IT ALSO SEEMED UNFAMILIAR AT FIRST. BUT I COMPLETED EACH SECTION AND EARNED THE BRONZE AWARD. THIS JOURNEY BOASTED MY CONFIDENCE AND IMPROVED MY SKILLS.

IT'S IMPORTANT FOR ALL THE SCHOOLS TO UNDERSTAND THAT THEY SHOULD SHAPE EDUCATION SO THAT WHEN STUDENTS GRADUATE, THEY ARE NOT ONLY CONFIDENT BUT ALSO HAVE USEFUL SKILLS FOR SOCIETY.

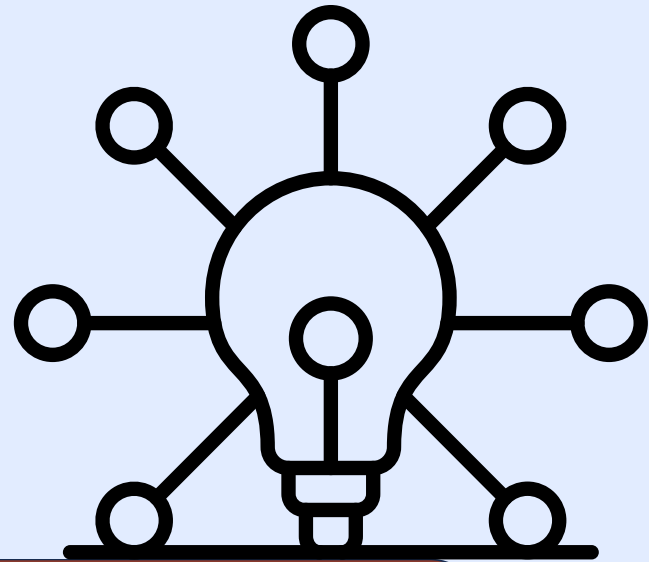

WHEN I STARTED WORKING FOR THE GOLD AWARD, I SAW IT COULD TEACH ME IMPORTANT VALUES. PROGRESSING TOWARDS THE GOLD AWARD HONED THESE SKILLS EVEN MORE. DOING SERVICE FELT LIKE A REAL JOB, AND I LOVED WORKING IN TEAMS DURING PHYSICAL ACTIVITIES. I USED MY TEAMWORK SKILLS FROM THE AWARD PROGRAM WHEN I REPRESENTED MY COLLEGE IN POWERLIFTING TOURNAMENTS. THESE COMPETITIONS ALLOWED ME TO USE THE TEAM SPIRIT THAT I HAD LEARNED, AND THE RECOGNITION I RECEIVED FURTHER SHAPED MY PERSONALITY. DURING MY RESIDENTIAL PROJECT, I LEARNED TO ADDRESS ENVIRONMENTAL ISSUES. SPENDING TIME OUTSIDE FOR AN EXTENDED PERIOD HELPED ME DISCOVER NEW THINGS AND MAKE DECISIONS ON MY OWN, MAKING ME MORE RESPONSIBLE. GOING ON ADVENTURES HELPED ME CONQUER MY FEARS AND DEVELOP QUALITIES LIKE TEAMWORK, KINDNESS, AND A WILLINGNESS TO HELP OTHERS.

I'VE REALIZED THAT THE DUKE OF EDINBURGH'S AWARD IS A GREAT SOURCE OF VALUES, COURAGE, AND PERSONAL GROWTH. IT HAS PROVIDED COUNTLESS VALUABLE EXPERIENCES TO YOUNG PEOPLE WORLDWIDE WHO CHOOSE TO TAKE THIS JOURNEY. PERSONALLY, I STRONGLY BELIEVE THAT PARENTS SHOULD ENROLL THEIR CHILDREN IN THIS AMAZING AWARD PROGRAM WITHOUT HESITATION.

I WANT TO THANK THE INTERNATIONAL AWARD FOR YOUNG PEOPLE, MY SCHOOL PRINCIPAL DR. VINITA KUMAR TOMAR, MY DEDICATED AWARD LEADERS, MY SUPPORTIVE PARENTS, AND MY INSPIRING FRIENDS FOR MOTIVATING ME AND ENCOURAGING MY ACTIVE PARTICIPATION IN ALL THE AWARD PROGRAM ACTIVITIES. TODAY, I PROUDLY HOLD THE GOLD AWARD, SHOWING HOW MUCH I'VE GROWN AND ACCOMPLISHED.

# Admission Process

Dyal Singh Public School offers admission to boys and girls, regardless of their social status or caste. Admissions for classes Nursery and XI commence every January, and registration forms can be obtained from the school counter on payment of the prescribed fee.

It's worth noting that registration does not guarantee admission. Admission for other classes is subject to availability of seats after the announcement of annual results in March.

For admission to school candidates must provide school leaving certificate from their previous school, along with Progress report card. Photocopies of their Municipal Birth Certificate and Aadhar Card are also required. SLC and Report Card are not required for pre- primary classes.

Upon acceptance, parents or guardians must deposit the prescribed dues and other fees promptly. If a parent or guardian decides to withdraw their child from school after the fee has been deposited, the CBSE or school rules will dictate the amount refunded within a month.

For admission to XI, the admission is provisional, subject to passing the tenth standard examination. Students who fail their class X Exam or get a compartment must be withdrawn from the school, even if they have paid their fees or attended classes. In such cases, only tuition fee is refundable.

## Payment of Fees

Fees are to be deposited in the bank by the 10th day of every quarter. Newly-admitted students are required to pay their fees for April-June at the time of admission. It is recommended that parents pay the fees on time.

### Additional Term and Condition Regarding Fees:

\* Request for refund of student security should be made within three years of leaving the school. After three years, the security amount will lapse.

## Procedure for Withdrawal

### GUIDELINES FOR STUDENT WITHDRAWAL

1. To withdraw a student from the school, a month's notice or payment of a month's fee in lieu of notice is mandatory.
2. The school Principal reserves the right to ask a student to withdraw from the school on the following grounds:
  - (a) Consistent poor academic performance
  - (b) Irregular attendance
  - (c) Indiscipline
  - (d) Non-payment or irregularity in fee payment.
3. A school leaving certificate will only be issued on written application from the parent or guardian, and all outstanding school dues must be cleared before applying for the certificate.
